ABOUT THE CAMPAIGN

For 80 years, the La Grange Pet Parade has brought our entire community together with miles of smiles and laughter. But...did you know the Pet Parade is funded through the generosity of resident donations, local sponsorships, and community donations? Each year, it costs nearly \$100,000 plus hundreds of volunteer hours to bring this event to life. Please consider a gift to ensure our beloved Pet Parade lives on for generations to come. When you GIVE, the entire community RECEIVES.
